## PROJECTS

### BMW COFIS

12/2022 - Present Pune

Commercial Finance is a part of Financial Services for dealers to get loans for maintaining stock while Retail Finance provides loans to customers for financing or leasing vehicles. The customer's credit history is checked before loan approval and regular monthly payments are made during the loan tenure.

#### Technologies Used

ReactJS, Asp.Net Core MVC, Web API, C#, SQL Server, Octopus Deployment, GitHub, Azure DevOps, Agile, Jquery

### T-Mobile Portals Development

06/2021 - 12/2022 Pune

T-Mobile stands at the forefront of the telecommunication's industry. Through the development of cutting-edge internal tools and public portals, we efficiently manage diverse settings and public interactions with utmost precision.

#### Technologies Used

ReactJS, Asp.Net MVC, Web API, C#, SQL Server, Octopus Deployment, TFS, Agile, Jquery

### Defi LOS

08/2019 - 06/2021 Location

As a member of the product development team, I worked on a Loan Origination System in the banking domain. The system manages core business processes through data and workflow management, and pricing-billing modules.

### Dodge Data Analytics

02/2015 - 08/2019 Pune

Dodge Data & Analytics is an online bidding platform for construction professionals. The platform provides a vast and accurate database of construction projects. The DDA Dodge Global Network integrates all of DDA Construction's information sources. BidPro offers a specialized dashboard for contractors, while the Call Center is a Windows application that collects survey information. Sweets is a trusted source of building product information for A/E/C professionals.

## EXPERIENCE

06/2011 - 01/2012 Nagpur

## EDUCATION

### Master In Computer Application (MCA)

Rashtrasant Tukadoji Maharaj Nagpur University

2008 - 2011 Nagpur

### Bachelor In Commerce with Computer Application (BCCA)

Rashtrasant Tukadoji Maharaj Nagpur University

2005 - 2008 Nagpur

## STRENGTHS

#### Problem Solving

Developed solutions for complex problems resulting in a 30% increase in efficiency

#### Teamwork

Collaborated with cross-functional teams resulting in successful project completion within deadline

#### Attention to Detail

Implemented rigorous testing methodologies resulting in 99% bug-free code

## AWARDS

#### Top Performer in Master

I am proud to have been the top performer in the MCA program at Tulsiramji Gaikwad-Patil College of Engineering College in Nagpur.

#### Excellency Award

I am excited to share that I was awarded the "Excellency" award for being the top-performing web development team employee at HARMAN in 2017. Being recognized for my commitment and hard work towards the company's success was an honour.

#### Bravo Award

I am proud to share that I won the "Bravo Award!" for being the best employee in the team for implementing the new CI Dashboard for our client DODGE in 2018. It was challenging, but I am glad I Contributed to the project's success.

#### Inspire & Achieve Excellence

Team and Focused Work for FISERV earned the "Inspire & Achieve Excellence" award in 2019 and 2020.

## PROJECTS

### TradeStation

12/2013 - 02/2015 Nagpur

This is a web app for a US pharmaceutical company with three logins: Vendor, Sales, and Customer. Each login has different constraints, UI, and functionality. The app's goal is to provide all necessary features on a single screen, covering all the operational requirements of the client.

### Complete College Automation

01/2012 - 12/2013 Nagpur

CCA is a web app designed for colleges. It simplifies college management by providing an attractive and secure environment to manage student and staff data. Its core objective is to reduce the time spent searching for appropriate candidates.

### ELINT Power

06/2011 - 01/2012 Nagpur

ELint Power® is a web-based tool developed by domain experts to help electrical distribution companies improve their operations. It has four service verticals, each with integrated modules, and is certified by professional software testing organizations and the Indian Association of Energy Management Professionals (IAEMP).
